DS eXpress Tools: Raising the Bar for Deployment Solution

Frustrated with complex SQL queries or cumbersome report tools?

Need information about your **thin clients**?

Need to access **multiple DS servers**?

Do you want to get the most out of **DS 6.9**?

Is there a Vista-like train wreck on the horizon?

DS **expres**TOOLS

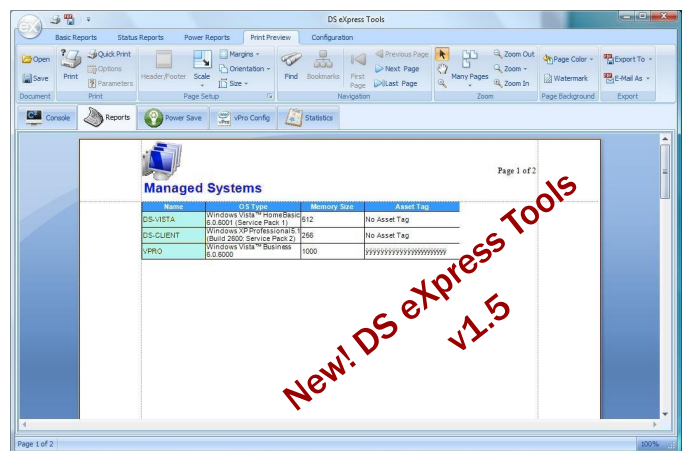

RAISES THE BAR and PROVIDES THE ANSWERS

- **Thin client** information, license compliance and DS inventory reports.
- Easy to use report builder provides checkbox selectors with data from **multiple** DS databases.
- No HTTP server required for management tool.
- Pre-defined Windows 7 migration reports.
- Save, export or email user-defined reports.
