

DS **express**TOOLS

Raising the Bar for Deployment Solution

- The only Symantec compatible thin client report tool available
- Pre-defined Windows 7 migration reports
- Access *multiple* DS Servers

eXprescient is listening and providing the DS 6.9 features you are requesting. Visit exprescient.com to see what we're doing.

Register for a webinar and see DS eXpress Tools in action. You'll be glad you did!
